

Seeking *Truth* on the Global Warming Debate?

Who is hosting the conference?

Ohio Liberty Council
Members: Cincinnati Tea Party, Dayton Tea Party, and Cincinnati 9/12 Project

Who is paying for the conference?

Tickets will cover most cost for this event and individual donations will be gratefully accepted to cover the remainder. No corporate sponsorship or special-interest donations were taken.

Who is the Ohio Liberty Council?

Ohio Liberty Council is a group of liberty minded grassroots organizations across Ohio: Tea Party groups, 9/12 groups and others devoted to the preservation of our country's founding principles.

Why focus on energy policy?

Because proposed cap-and-trade legislation begs debate on its effect on personal liberties, free markets, and limited government ideals.

Conference objectives are truth and education.
